To De, Manument—I have been ten years troubled with Female Complaints—prolapses nieri, and all the

miserable. I have had the attendance of some of the best physicians, with but little success; the most they could do was to relieve—a cure was out of the question. For five months before commencing with your medicine, it had not been able to perform any labor, could walk but a few steps at a time, and scarcely went out of doors but a few steps at a time, and scarcely went out of doors—in short, I was completely prestrated, both in body and mind, and expected to drag out the rest of my days in suffering and mysery. But, reading your advertigement, I was induced to try your invaluable medicine called Ulerine Catholicon, as the last resort. I had not used it a week before I felt like another woman. By the use of three bottles I was englied to perform all the labor for six in the family with case, and could could walk anywhere in the neighborhood without injury. Nothing but a sense of my duty to you and to the afflicted, bus induced me to state my case to the public. I can safely recommend the preparation to all those suffering like myself.
